Duty free planning time	Please describe approximately how much planning time your teachers have during a week: Teachers have 30 minutes in the morning, a 30 minute duty-free lunch, 40 minutes of planning while their class is at Resource. All grade levels have the same resource time. There is 30 minutes additional at the end of the day for planning, too. This equals out to 7 hours per week.

Parental/Family Engagement	Please describe your parental/family engagement plan briefly (i.e. dates or frequency of parent events, P/T conferences, PTA meetings, etc.): Parent involvement at Honeycutt is very strong. The PTA Executive Board meets monthly, on the last Thursday of the month. Some scheduled events include: Grandparent Movie Night, Media Nights where pizza is sold, two Book Fairs, Parent-Teacher conferences, Winter Wonderland, A Holiday Shoppe, Fall Festival, Fundraisers, Cookie Grams, and STEM Night. These are a few of the scheduled events. There is a Family Night at a restaurant once a month. Each grade level will schedule a Curriculum Night.	
Safe and Orderly schools	The Cumberland County School System (CCS) has a commitment to excellence in providing a safe and healthy workplace. Safety of employees and students must be given first priority in every activity. To that end, all our employees have access to our district Safety Manual and Crisis Management Handbook on the CCS intranet. The Safety Manual is provided to help schools insure their day to day practices are in line with best safety practices, prepare for events that can be better managed with a safety plan, and outline protocols for handling potentially hazardous materials in our schools. Although a crisis is an event that is extraordinary and cannot be predicted, the Crisis Management Handbook was prepared to provide the principal and the local crisis team a quick reference guide of procedures to follow when a crisis occurs that affects the school.	

<p>Review of the SIP plan and notification of changes</p>	<p>As a part of our continuous improvement process, all schools create 2 year School Improvement plans. At the end of the first year of the plan and once test scores are received, the School Improvement Team will review both academic and organizational goals and make changes as needed. The superintendent's designee will be informed when the plan has been changed.</p>
