In Memoriam

We are deeply saddened by the death of someone very close to our school family. It is with a heavy heart that we share that Mrs. Lori Mueller, our beloved principal passed away on November 14, 2020. Mrs. Mueller has served as an administrator at Honeycutt since it opened.

Our condolences go out to the Mueller family.

Touch Base Tuesday

To further support the unique challenges that our students of active duty soldiers face, Honeycutt teachers will designate time during the lunch break on last Tuesday of the month to meet (virtually) with students assigned to their classrooms that have an active duty parent, stepparent, or guardian. If you are an active duty parent, stepparent, or guardian of a Honeycutt student, please be looking for information from your student's teacher about this special lunch time on November 24, 2020.

Media Center

If you have returned a Chromebook due to damages and received a loaner laptop, you will need to go to the School Cash Online located on the Honeycutt website and register. Loaner laptops need to be returned for other damage instances and cannot be kept. These fines will need to be paid to receive your child's repaired Chromebook back and to be able to check out books from the media center upon returning to the school in the future.

Important News

On Tuesday Nov. 24th the building will closed due to upgrading of the internet system throughout the school. If you need to pick up anything please do so on Monday.
